## Part B: Strategic Plan

**Note:** This to be determined through ISP submitted and/or testimonials (on the online portal) from principal, trainers, industry members, alumni. Additionally, the list of activities mentioned in the following sections is not exhaustive and may include other activities as identified by the ITI.

### **1. Plan for increased participation of female students:**

Please provide details of activities planned to increase the share of female students in the ITI:

- a) Studies to assess entry barriers and constraints of female youth
- b) Mobilization:
  - a. Marketing of ITI programs among female youth
  - b. Increasing career counselling targeted towards female youth
- c) Facilities:
  - a. Hostels facilities (excluding civil infrastructure)
  - b. Improvement of sanitary facilities for female students
  - c. Transport
- d) Introduction of new courses with good labor market prospects for women
- e) Recruitment of female teachers (incl. as contract teachers)
- f) Development of institutional gender-policies and gender training of teaching and management staff
- g) Earmarked employment promotion activities for females
- h) Other activities that will ensure that the female participation rate will have increased by 25% in next 4-5 years.

a) It has been observed that during in couple of years in India, the participation female youth has been remarkably noted lower due to various socio-peripherio circumstances, viz. - i. Fear among the parent pertaining risk of sexual harassment of the student on road and within the institution. We cannot do anything on the part of on road harassment but we can do everything on the part of in campus harassment and we have planned to follow the Vishaka Committee guidelines fixed by the Hon'ble Supreme Court of India. ii. As the most of the female student belong to poor family economic background, and the targeted female student has also to work and earn for the family itself, we have specifically planned to provide an "Earn while Learn" scheme with the help of our industry partners to upgrade such female students. iii. People of our country after independence of more than 70 years are too much aware, hence, separate awareness program need not to conduct. In our country, lot of people are aware but least of people are implementing whatever they are aware about. Following this line of action, we have planned the policy of at least 50% of woman trainer to be positioned, focusing the enhancement of female student intake. b) Mobilization: a. Marketing of ITI programs among female youth to rely upon the inspirations and mile stone setup by the ex-students who have secured their respectful job positions. A specific drive for self-dependence of woman student shall be designed by Puri ITI, so that, the female may become earning and in a position to upgrade her family status. b. Increasing career counselling targeted towards female youth shall be conducted by the TCPC of the institute in which the placement cell will be headed by female staff who will give the result oriented output under the supervision of the director of Puri ITI. c) Facilities: a. Hostels facility is available separately and exclusively for the female students and the hostel is fully secured by barbed fencing and supervised by the female hostel warden which is monitored by the management of Puri ITI over the Mobile Phone by Cam-Coder technology. The hostel needs RO water machine and other student oriented technological support (excluding civil infrastructure), viz.- Sanitary Vending and Segregation Machine. b. Improvement of sanitary facilities for female students is proposed with Sanitary Vending and Segregation Machine at female toilets at various locations of the institute and within the female hostel. c. Transport for the general public is already available at the door step of the institute at scheduled time table of ITI, though specific bus facility for woman students shall be provided through IMC. d) Introduction of new courses with good labour market prospects for women will be launched under CTS and NSQF level Compliance Modular Courses like Stenographer, Computer based Skill Courses, health and Sanitary oriented skill courses, Language proficiency and vocal pertinent skill courses and their commencement shall be taken up via Affiliation to NCVT, and planned so that the job opportunity may be increased along with the personality development of female youth in a better way. e) As per the guideline of Hon'ble Supreme Court of India, a Committee has been already constituted of 5 members including 3 female and 2 male members and headed by senior female staff. Recruitment of Female Teachers (incl. as contract teachers) shall be taken up under which minimum 50% female staff shall be positioned at various posts and services. f) As per the guideline of Hon'ble Supreme Court of India, a Committee has been already constituted of 5 member including 3 female and 2 male members and headed by senior female staff. Development institutional gender-policies and gender training of teaching and management staff shall be oriented on Vishaka Guidelines as fixed in an order passed by Hon'ble Supreme Court of India, under which female workable atmosphere will be strictly maintained in the institute through the committee specifically formed for the purpose. g) Earmarked employment promotion activities for female, shall be taken up to make the female youth student
